Hi [REDACTED]

Yesterday's phone call with the Embassy Team helped because it finally made the Administrator's Advance person realize how many answers we need to get things going. We now have a meeting with the Chief of Staff and all involved parties (except the Administrator) on Monday afternoon to sort some of these decisions out.

For my scoping mission, I had originally made a reservation at the Marriott at the USG rate. I still have this in place if we need it. Once we have a decision from the Administrator's office we can see if there is availability at wherever he decides if that would be helpful. We generally prefer to be within per diem if we can, and I see that the bid for the Westin is above the per diem rates, so I would likely recommend the Regina Baglioni unless there is some other reason to avoid it. Given that the Administrator's accommodation will not include a second room within per diem, the family is likely to make their own reservation for the kids.

I'll keep you posted as I get any updates. I apologize that this is somewhat difficult. These are just the bugs of getting a new team trained.

Mark

Hi Mark,

I let [REDACTED] know that you might not need a control room in Rome and that the Environment Ministry is providing control rooms in Bologna.

Since hotels fill fast Easter w/e, and you might want to stay in the same hotel as the June delegation, it would be nice to have a decision. As I suggested from the beginning, the Westin/Excelsior is a wonderful place, literally across from the embassy.

Thanks!

Hi EPA friends,

Another consideration – would the Administrator and staff want a control room in Rome and/or Bologna? We would need to build that into the budget, including staffing the room if necessary, and IT support.

In Bologna, the Administrator + 4 will stay at the Savoia. (Please indicate the +4.) The official agency in charge of making hotel reservations (for the rest of delegation) has not been selected yet, but it should happen soon. If it isn't near the G7 event venue, we'll add more for staff transportation.

Hi all, just want to add a couple of information :

- 1) Advance people on the 18<sup>th</sup>- I would like to book the same hotel that will be chosen for May. Do you agree?
- 2) Check in time for both hotels is at 2.00 pm – I see that all the arrivals are early in the morning. In order to be able to access the rooms upon arrival you need to reserve and pay for the previous night. Please confirm.
- 3) Departure from Bologna to Rome and back to the USA – First train from Bologna is at 6:05 which arrives at 8:35 am . Then there is approx.. 1 hour journey to the airport , meaning that you would get there around 9.30. If you are planning to take the UA flight out of Rome at 10.50 am there will be not enough time .

Will wait to hear from you

Thank you

Hi all, let me produce some info for you.

My understanding is that the Hotel Marriott is no longer a choice for the group, so I have checked another 5 star hotel which is close to the Embassy and has used in working VIP visits with us, like the Westin:

- 1) HOTEL REGINA BAGLIONI [www.baglionihotel.com](http://www.baglionihotel.com)  
Room cost is euro 326.00 per night including breakfast and all taxes.  
The Suite ( with two bedrooms connecting ) for the VIP will cost euro 1540.00 , all inclusive
- 2) HOTEL WESTIN EXCELSIOR [www.westin.com](http://www.westin.com)  
Room cost is euro 407.00 per night including breakfast and all taxes.  
The Suite ( with two bedrooms connecting ) for the VIP will cost euro 880.00, all inclusive.

The cost of the rooms is for Single occupancy, except for the Suite.....of course.

Both hotels will hold the rooms without commitment until COB ( Italian time ) on the 18<sup>th</sup> of April.

It is high season and all the hotels have high occupancy for those dates.....actually for April and May ☺

This is what I have requested in terms of dates:

31<sup>st</sup> May – 9<sup>th</sup> June – 10 nights – 2 rooms

HUPP  
Admin Secretary ( 1)

31<sup>st</sup> May – 10 June – 11 nights – 2 rooms  
KASMAN  
Admin. Secretary [Ex. 7(e)]

5<sup>th</sup> June – 10<sup>th</sup> June – 5 nights – 1 Suite + 5 rooms

Hi Mark, I have send an email to two hotels and waiting for their offer:

- 1) WESTIN EXCELSIOR [www.westin.com](http://www.westin.com) ( Five star hotel )
- 2) MARRIOTT GRAND HOTEL FLORA [www.grandhotelflora.net](http://www.grandhotelflora.net) ( four star hotel )

Once I receive the info I will forward it to you and then you can make the decision.  
I have asked for a two bedroom suite for the VIP. How old are the kids?  
Check in time is at 2.00 pm , so if the delegation is arriving earlier and would like to go directly to their rooms, then we must reserve and pay for the previous night too.

We can assist with the train reservation. Trains run at least one every hour and it takes approx.. 2 hours and 10 minutes to 2 hours and 30 minutes. If you give me idea on time of departure I can give you a few options. Also let me know the flight information on the 13<sup>th</sup> so I can check what train can be possible.

Will be in touch .

Hi Ex. 6 - Personal Privacy

Thank you for checking into hotels for Administrator Pruitt's mission to Rome. We appreciate your assistance. I am making my best guess on the security detail, but there may be some fine-tuning for those folks. If the Administrator's suite has a second bedroom as part of its set-up, please let us know. If it does, the children will stay in the Administrator's suite. If not, the family will book a separate room for the children. We will need the Administrator's lead for security to be in the room next door to the Administrator's suite.

Below is the list of delegates and when they are arriving/departing. We will have to confirm the flight information for Administrator Pruitt, because it depends where he is traveling from. Regardless, he will arrive Rome on the morning of June 5 and depart Rome on the morning of June 10 for Bologna. He plans to take the train Rome/Bologna/Rome and we may need your assistance making reservations for the train once the times are clearer. He will need to take an early train back to Rome to catch his flight home on June 13.

There is a possibility that Samantha Dravis will depart Rome for Washington on the day that the delegations departs for Bologna. In this case, EPA Chief of Staff, Ryan Jackson would join us in Bologna for the G-7 and depart for Washington with the rest of the delegation. This should not effect the rooms in Rome, but we will keep you posted as plans are finalized.

Dear friends,

Here is the current schedule for the Administrator's visit.

Mark, do let us know if there is anything we can do to help with face-to-face meetings with EPA's contacts working on the food waste and Green Sports events in Rome. We look forward to additional information next week.

We had a meeting yesterday where our USUN and FAS colleagues talked about USDA-EPA Food Waste Challenge and mentioned that USDA Director for Sustainable Development Elise H. Golan would be in Rome on April 2. This article in English talks

about Italy's food waste law enacted last year. It sounds like the Administrator understands this current schedule will likely preclude an event that includes Minister Galletti, since as the G7 EMM host, he will be preparing in Bologna. Of course we will attempt to lure him home to Rome, but it may not happen.

Your team may like the Westin Excelsior, which is next to our Embassy. We had our election watch there, and it is a lovely, well-located facility. I've added [Ex. 6 - Personal Privacy] from our visitors' section, who can get dates for your advance trip, the Administrator's visit, and also give you more options.

I'll have [Ex. 6 - Personal Privacy] above look into good weekly call times. We've got visitors coming in April (including NASA's Acting Chief Scientist, Secs Tillerson and Perry, NOAA, and EPA ☺), in addition to the Energy and Foreign Affairs Ministerials, Marine Litter, the Space Apps Challenge, and an Arctic workshop (Italy is an Arctic Council observer and the U.S. chairs until May), so it will be hard to come upon a set day for a steady day/time for a weekly call, but we can manage. I've added our RSO shop so they are aware that we'll be inviting them.

I will send our Bologna budget under separate cover, and invite PAS colleagues to do the same.

All the best, [Ex. 6 - Personal Privacy]

Hello [Ex. 6 - Personal Privacy]

We met with the Administrator's staff today, and I am enclosing an updated schedule based on his interest, now, in going to Rome on the way to Bologna. We recognize that we may not get the Minister in Rome, but will try. EPA is working with its partners on proposing a Food Waste event and Green Sports event in Rome. We hope to get you more on these next week. I also learned that the Administrator prefers not to stay at Marriott hotels. Is there another appropriate hotel in Rome that you can recommend for the Administrator's delegation? Right now, we are envisioning a core delegation of 5-6 people plus security and advance.

In April, we would like to start scheduling weekly planning calls that would include advance, public affairs, security, and us. Can you help us identify a timeframe for these calls that would work for you?

Regarding ESTH support in Bologna, I am making the pitch for supporting you and [REDACTED] so please provide us the estimates. I do not believe they would support more than one person from Public Affairs. And, I imagine that Security will require one of your local security staff to accompany as well, but I will leave that up to their discussions with the RSO.

I would be happy to discuss any of this with you if it would be helpful. We appreciate all of your assistance and are looking forward to working with you towards a very successful and productive mission.

Dear EPA friends,

Minister Galletti will probably go to China after the EMM in Bologna. If the Administrator is willing to come to Rome before Bologna, he can meet with the Minister.

Our USUN Mission (deals with FAO) is tiny, and two of the four American State officers are transferring out this summer. You can work with us on the food waste angle.

Great talking to you in Washington! Here is a schedule with the edits that [Ex. 6 - Personal Privacy] made.

[Ex. 6 - Personal Privacy] Cardinal Turkson may not be the right cardinal for Administrator Pruitt to meet with. Is there a difference cardinal that would be more in the lane of food waste/loss and environmental innovations?

[Ex. 6 - Personal Privacy] Administrator Pruitt knows of some companies working in Italy on environmental innovations, but you may know of others. He is also interested in trash free water, and American companies like P & G that are making Head and Shoulder bottles out of plastic collected along the beach.

Additionally, he owned a baseball team and there is a minor league team in Italy. The "green sports" refers to recycling at sporting events. We're interested in finding more about this team, but other sports teams with this type of practice may be interesting as well.

We may not have ambassadors by that time, so he would meet with the highest officers, which could be Rome and Vatican CDAs.

We are looking at the best time for Mark and the Administrator's advance person, Millan Hepp. We're looking forward to this visit, especially since it will be the Administrator's first foreign trip.

Hello Team Italy!

We can now inform you that EPA Administrator Scott Pruitt will attend the G-7 Environment Ministers Meeting in Bologna, Italy, June 11-12<sup>th</sup>. He would very much like to make a mission to the Holy See and Rome in the June 13-15 timeframe, flying home on June 16. We have attached a very notional schedule

for your consideration and for us to start from during our phone call. We completely understand that times/places/events can change/evolve and that we will work with our Embassy to the Holy See to arrange that part of the schedule.

Administrator Pruitt is very interested in confirming the timing as soon as possible. We have been instructed to confirm the timing with the Embassy and the Italian Ministry by early next week at the latest. We will be asking your help in either contacting Francesco La Camera directly or arranging a call between Francesco and our Acting Assistant Administrator Jane Nishida as soon as possible to discuss this timeframe. Jane and Francesco have interacted several times including at the G-7 in Japan last year.

Themes for the mission will include food waste/loss, environmental innovation, and green sports. I will be happy to discuss each during our teleconference later today. Also, we would want to identify a time perhaps a month ahead of time, that I would come out to do the substantive advance with you and our partners on the ground in Italy.

We look forward to working closely with you to make this first international mission for the new EPA Administrator a success for our Agency and the Embassy. I look forward to speaking with all of you later in the day and to seeing you in Rome.

Best regards, Mark

**Subject:** Telephone Call with EPA

Hi, [REDACTED] **Ex. 6 - Personal Privacy** – I just tried calling [REDACTED] **Ex. 6 - Personal Privacy** phone number and hoped to leave a message but for some reason the answering system didn't pick up.

Would you two be available to schedule a check-in phone call with EPA on either Friday or Monday? We'd like to get your feedback on a few things.

Please let me know your (un)availability and I can send around conference lines.

Best,  
Anna
